R.E. Gospel – What is the good news that Jesus brings?	Can I explain what Good News means?	Can I ask questions about what matters most to people?	Can I describe what stories teach Christians to be thankful?	Can I describe why prayer is important to Christians?	Can I describe why prayer is important to Christians?	What is the Good News Jesus brings?
Science Uses of Everyday Materials	Distinguish between a object and the material it is made from	To be able to investigate which material bounces best.	To be able to perform simple tests.	To be able to identify uses of plastic.	To be able to investigate which material is best for letting light through.	To investigate how we can change the shapes of some materials.
Topic/History Street Detectives	Looking at images of past and present – what clues can we find?	Looking at new and old homes and making comparisons	Education Visit – looking at houses in our area	Looking at the school past and present – what has changed?	Look at shops past and present – what has changed?	Presentation to class – what significant changes have happened? Why? How do they benefit us?
PHSE Jigsaw Dreams and Goals	I can choose a realistic goal and think about how to achieve it.	I can tell you some of my strengths as a learner.	I can recognise who I work well with and who is more difficult for me to work with.	I can work well in a group.	I can tell you how I felt about working with a group.	I know how to share success with other people.
Music	Understanding rhythm and singing a melody					
P.E.	Cricket					
DT/Art	Using mixed materials to create a collage.					Using mixed materials to create a collage.
Computing			What makes a good photograph?	Editing images	Editing images
